Moved, by Col. C. C. Grant
 Seconded, " Mr. H. B. Witton

" That we the members of the
 Hamilton Scientific Association
 desire respectfully to convey to the
 family of The Late Sir William Dawson
 G. R. S., G. G. S., G. R. C. S., The great
 Canadian Geologist, our sincere
 condolence with them, on the irrepar-
 able loss they have lately sustained
 by the deeply regretted demise gone
 so universally and highly esteemed
 and whose numerous scientific
 works are so well calculated to
 spread an increasing knowledge
 of the past life of this continent "

Carried Unanimously
