Christmas 1894

Dear Lady Dawson

I am grateful  
for the papers containing  
the accounts of Sir William  
Thank - you so much  
for thinking of me.  
Now with this little  
card let me send you  
my best wishes for a

peaceful Christmas and  
New Year

You will be entering  
on a final term of  
quiet & rest thro' of  
terrible loneliness.

I have both my children  
with me. I wish their  
father could see them  
- perhaps he does. They  
are both so good.

We are anxiously waiting  
to know Barus's fate  
& we trust he may not  
be sent abroad as yet.  
There must be home  
appointments & he is not  
yet 19.

I must write to Mrs  
Aisher - she was not  
with you at the end  
Believe me  
yours affly  
Elizabeth Browne
