STIRLING

13 Jan'y 1900.

Dear Lady Dawson.

Please accept my  
sincere thanks for your kind-  
ness in sending me a copy  
of the addresses delivered at  
the University - which I am  
very glad to have -

Although late, I take  
this opportunity of offering  
you my true sympathy -

I do not think I ever

met anyone with such  
a gentle kindly nature as  
Mr. Williams & I never met  
anyone whose life so fully  
acted what he believed -

I look back with great  
pleasure to the meetings I  
had with him -

Remain

Yours truly

W. Adams
