Dear Madam

My friend Miss Ellen Logan sent me the enclosed introduction some time ago. My sister & I leave this on Wednesday on our way back to Scotland & propose spending Thursday night at the Windsor Hotel, Montreal & remaining till the evening of Friday - so as to see a little of the place. I think it

doubtful that you may
be in Montreal at this
season & to save wasting
time in going in search
of you - I now send Miss
Logan's note by post
& beg that you will kindly
if at home - let us find
a note at the Hotel on
Thursday Ev! to say if
we may have the pleasure
of making your acquaintance
Excuse haste as I write

amid the bustle of prepara-
tion for a journey +
remain for with christian regard

Catherine Grace Douglas.
