My dear Dr. Dawson

You will I fear think  
I have been long in sending you  
my Photograph but many cir-  
-cumstances prevented me, but  
I hope you will accept it with  
my love, and that it may  
recall with pleasure the many  
times we met at your house.

I should like much to have  
a photograph of yourself and  
Dr. Dawson as independent  
of my own affec<sup>ts</sup>. regard, the  
unfailing kindness and  
friendship now for many  
years flowing between my

Brother Jaccily and yourself  
makes me to feel your debtor  
that if you send them to me  
I shall value them much -

Jaccily has written me of the  
Saguenay she has had with you  
at Lacouana and of the pleasure  
and health she has been drinking  
in at that salubrious place -

The bracing purgative air of  
Canada is indeed very superior  
to ours in England - however  
each country has its own  
value and tell of the Almighty  
Giver whose many rich mercies  
showered on us are witnesses of  
His goodness to us - and how  
year by year are they repeated  
in the fruitful seasons that  
fill the hearts of all with joy and

gladness - I was so glad to read  
from Emily's letter how well she  
was and highly valued your love  
and kindness and companionship  
- Miss with Anna to whom you  
may love she asked me for a photo  
and please to give her the one  
on which I have written her  
name - tell her <sup>her</sup> own is much  
admired it is so beautifully clear  
we see say I cannot get such an  
impression - I am so thankful to  
hear Jerry is better and was  
strengthened by the change -  
May it be God's will he may  
do so steadily, and year by year  
so improve as to enjoy life  
and above all to reap the blessing  
that the assurance of trial is  
so meant to yield us hereafter -

My Brother George writes with  
in kind regards to J. J. Jawsone  
who with yourself are often  
remembered by us when  
speaking of our Canadian friends  
in his arduous life of occupation  
the rest he has been enjoying is  
no doubt most grateful to you  
both. Hoping the little Eva  
Prudence & Willie are all well  
with kind love believe  
me very dear J. J. Jawsone  
yours very affectionately  
A. H. Saerrett
