My dear Mr Dawson

You will I am sure
like to hear how we are
going on & I have been
looking to write, but a try
of work makes it all
but impossible for any
but necessary letters. We
have had a wonderful
time here & many hearts
are filled with praise
for what the Lord has
done. The interest has
been very great, the
meeting, the one subject

A conversation very where
Hundreds going away for
the Y.M.C.A. Rooms for want
of Rooms we were at last
obliged to move to the
Luna Hall, which seats
1000 but it was made
to hold 12 to 1400 all
through last week it
was filled every night
& last Sunday to Columbus
-date those who could
not get in, we arranged
for an overflow meeting
in another hall, in
2.0 m. ours was filled
then the other which
held 400. was taken
by two earnest young
men in the back -

but best of all a large
number have accepted
the glorious gospel. Last
Wednesday we had a
meeting only for young
converts & that 60 or 70
present & a good many
of them - there are still
many anxious hearts
waiting for the inquiring
meeting & all over the
Island I might say nearly
in every house there are
anxious ones - We have
a daily prayer meeting
about 100 present at
we hope may be kept
up. The one feeling
is that the Lord has
been passing by to

Miss - You heard I charge
that Mrs. Heard was in
Montreal for one night
she had not time to call
& see you & she did not
ask you to take her in,
because she thought
Mr. Haldwin w^d do so &
she wished to be as wth
as she c^d get to Dr. Campbell
knowing you to be here.
He has ordered her
complete rest, w^{ch} has
made it hard upon her
& upon me also - as I
get double work. We leave
here (DD) on the 5th March
for Peterboro', & commence
meetings next day. With our
kind wishes to Dr. Dewar
& V. party - I am Y^r affly
