Fallowfield

My dear Mrs Dawson -

I am just
wondering whether Mrs Dawson
would like to give a very
pleasant reception with
dancing. An Mayor holds
on Tuesday evening next;
The Mayor himself & his
family are exceptionally
high toned & such young
people as will assemble

on Tuesday will, in
most cases, I believe in
all, be the kind of people
whom you would not
object to your daughter

meeting -

Robert & Emily (his wife)
are going & will be only
too glad to chaperone Miss Dawson
& Edith, our daughter, cannot,
because of other engagements.
In short if Miss Dawson

enjoys dancing at all
I fancy the evening
would be pleasant to her -
We are much anticipating
your visit & are conscien-
tiously keeping down the
number of visitors, that
you may have quiet
with our united very
kind regards

I am sincerely Yours
