

remarks on
an important subject

May 15th 1869

My dearest Anna;

I have headed my
papers, & so must carry it out
I shall take 1st Timothy 1st Chapter
11 verse; & I wish to draw
your mind to the trust
given us now we are
converted. God has given
us His Gospel to show to others
& this is our trust, think
of this & call to mind
How blessed & at the
important is this trust
from Him — to Him
