

Thos. Seaboard

has been feeling cross
the last few times
she needs you if
week has in good
temper. Mrs. J.
has been up ^{and} down
the street. While
I should like
to learn to speak
well.

Collins
I don't know
if that is all

name but you know
what I mean

My own dear Anna,

I really did not
expect to receive another
letter from you, as each
day I thought to hear that
you were coming home, but
as you seem to have settled
down for the next month
or so, I shall write to you
once or twice a week. I am
so glad to hear that you are
enjoying yourself, it is well
for you to stay long enough

To see, how things work
in Sorouti, & then when you
return you will not only
be able to tell us what you
saw, but - show us how
to follow their good example.

I have been down to the
Hospital three times, there
is such a dear little boy
there called Jimmy, he
has a broken leg, & is so
fond of reading or hearing
any one read, Mr Furner
gave me a number of
little books & some Old
Old stories illustrated,
& I bought some sweets -
so I had quite a pile

have given them to the
sick children, I have got
such a nice new Bible
with larger print, I can
not read out of my own ^(old one)
as I find it hurts my
eyes, it is printed so
badly, & so small.

We had a very nice
meeting last Friday &
there were quite a number
up, Dora has promised
to pray the next time, she
is so shy, dear old girl,
Fanny was quite a help
last time, she had found
such a number of texts
& takes such a pleasure

in reading up the lessons.

The Ugliners leave us
on Thursday or Friday
I think I shall miss Lou,
she has taken quite the
place of a kind sister to
me, I do so wish I had
a sister of my own a friend
ever near.

I like reading to the old
women, & enjoy going down
though I have not been
able to be very regular as
we have all been sick with
cold, Mamma has not been
out for 4 weeks, L. O'Hara
was quite sick for a little
time ^{in part} with powder
Yours with fondness
Love Mamma
