

Mother-in-law
trouble!

Montreal

Dec. 14th 1894

Dear Anna,

My present intention
is to leave for Saranac on
Monday, in the morning if
I can get away, and if
not then in the evening. In
the latter case I shall
have to sleep either at
Plattsburgh or at Huntington
and then get to Saranac
between 11 & 12 Tuesday morning.

I have been in to the next
 door and as usual come
 back cross. My dear
 mother-in-law I respect
 greatly, but I wish she had
 more tact. She always puts
 me the wrong way. Still
 I know that she does not
 mean to do so.

I was told to day
 that a Miss Edith Miller
 who took her B.A. here
 a year or two ago is at
 Saranac, having broken down
 in health. Possibly you
 may have seen her.

Yours is up

With all love

Tommy Bernard.
