

Little Girls

1894

My darling Mother  
I am so glad to hear  
Father is coming out  
and hope to see the  
ball he promised  
me. I am trying my  
best to learn to read  
& I am learning  
a chapter out of the  
Bible. If Eric is

well enough to write  
you please ask him  
to send me one  
photograph
