please excuse me putting
it in this letter but
I had the mot to send to
S. & G.

Dear Mother

I hope you are
quite well & had
a nice voyage over
did your flowers
last - till you
got over, we have
had a very severe

frost - here which
 killed nearly all
 the flowers, We went
 out - to Maple wood
 yesterday & got a
 lot of Artiliums
 Miss Howard has
 asked us to go out
 a walk with her
 this afternoon, I am
 afraid I do not
 want to go very
 much

Eva asked to have a
bow in her hat - so I
put it in and now as
usual she likes mine
the best - ; if you sent
us any stamps I would
rather have them used
I have just finished
my poster & am beginning
a design for a plate

J
I do not - approve
of Aunt's wonderful
house-keeping because
she never gets any
thing for our tea.

if you write a letter
to her please tell it
to her mildly as I
am afraid of the
consequences, she will
be sure to pounce
on us & call us villains
for telling you with
much love from Lois
