

Albani

Montreal

March 25<sup>th</sup> 1906

Dearest Anna,

Your letter received yesterday and I now enclose \$5.00 American money. Being Sunday I cannot register the letter, but I fancy it will go through safely.

Yesterday at noon Albani visited the "Convocation". The Committee, Teachers & Pupils had been hurriedly assembled to meet her and a capital little ~~for~~ impromptu concert was given by some of the star pupils. Albani is really a charming woman - so sensible and devoid of all affectation. She seemed to

frost to make it pleasant.  
 Will has gone down to  
 Sunday School. He was very  
 anxious to go, as Mr. Williams  
 was to show a series of lantern  
 slides illustrating scenes in the  
 life of Christ.

I want to get a little  
 walk before the sun is  
 lower so must close.

Bernard
