My dear Mother,
Thank you ever
so much for those two beautiful
cards you sent me of St. Agathe.
It was awfully good of you to send
me them, when you were busy
with father. I am getting on
ever - so - much - better - on - at
school the last few days. I hope
that you are keeping well.

and not doing to much work.
 If you are tired lie down
 and sleep the sleep that knows not
 waking. Today is my birthday
 and I am fourteen years old,
 I have only received one pres-
 ent of 100 from. y. M. I do not
 receive the rest until tomorrow
 I hope that I will get a few.
 I trust that you are not

doing too much work
 these are kisses your affection
 Wm.
