

Dear Mr. Harrington
You & your
Nephew children
have our warmest
sympathy in the
loss of your
beloved husband.
Thankful you.

Greenfield
Ans -

must be to have
the retrospect of
an unusually happy
married life - but
it also adds to
the bitterness of
it now, when the
sad parting comes.
Our help must
come, from "Ain"

Who does not
afflict willingly
but only to know
no nearer to himself
with our united
love. Believe me.

My dear friend
affectionately
Yours.
