

MONTREAL.

Dec 10. 1907

Dear Mrs. Harrington,

At the meeting of the Library Committee, held yesterday, the appended resolution was adopted. I am not speaking too strongly when I say, that it but faintly reflects the warmth of feeling it was intended to express.

I am,
Dear Mrs. Harrington,Very sincerely yours
C. H. Gould

Resolved:

"That the Library Committee hereby records its deep sense of the loss it has sustained, through the

death of Dr. Bernard J. Harrington.

Dr. Harrington was one of the original members of the Library Committee on which, ever since its formation he has continued to act, performing, with a conscientiousness peculiar to himself, his full share of the business which came before the Committee. His kindly generous nature, united to sound judgment, made his suggestions in many instances singularly valuable, and he will be greatly missed by the Committee, not merely for his prudent counsels, but as a friend for whom each member cherished the warmest personal regard.

The Committee extends to

Ms. Harrington, and to her family most sincere sympathy
in their bereavement.
