Dear Dr. Adams:-

I have to acknowledge receipt of your letter of the 5th. inst., in which you outline a very excellent idea to perpetuate the memory of our late teacher, Dr. Harrington.

All of us, who were his pupils, are under obligations to him either by example or precept, and I am glad to be able to enclose you a cheque for \$10.00 to assist in having his portrait placed in one of the University buildings.

I am, Sir,

yours sincerely,
