Dear Mr Adams.

Yours of Feb. 7<sup>th</sup> just to hand to-day.

Your news re the death of Dr. Hamington came as a complete surprise and great shock to me.

All the good words you express can be most heartily endorsed by me. — he was always as much the friend as teacher.

I have always retained a warm affection for him and gladly subscribe to the testimonial suggested.

Enclosed find ck. for \$11.<sup>00</sup> to cover my subscription and any difference in collection etc.

Let me add that should you experience any difficulty in procuring

the full amount, it will give me  
pleasure to duplicate this check.

I think allow me to thank you  
for extending to me the invitation  
to contribute.

Yours very sincerely
