

Saturday

Dear Papa & Mamma

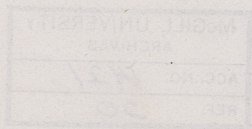

Just to tell you  
that we had a bonfire  
on the beach and it  
was pretty, and there  
were other bonfires besides  
and I put on lots of  
chips <sup>& branches</sup> on the bonfire.  
Also we went fishing  
one day, and I caught  
a big fish myself. It was  
a toche. Yesterday morning

My face was all red  
& swollen and pained.  
Ma gave me some medicine  
& washed my face over  
with Calendula and  
keep me in all day,<sup>and now it is quite well</sup>  
and Grandpa made  
me a little note = book  
& keep in my pocket  
with my pencil and  
write to. Love

draw wheels with  
spokes, and engines  
and shells and many  
other things.

I am going up with  
Grandpa in the train  
on Monday and hope  
to see you and baby.

Eric
