My dear Bonie

It is said you are going  
to Mrs C. G. S. Museum to  
Ottawa. I have a building  
there that would suit you admir-  
-ably. Containing some 35 or 40  
Rooms immediately opposite  
the Government Buildings a Stelling  
-ton St. If you are not going to  
move into the Building there-  
-self. I would very much like  
you people to see these Rooms

has yet been made. my Building  
is the old Victoria Hotel. I am  
sorry for you my dear fellow. I  
remember your views with regard to  
a move from Montreal. I am so  
glad to hear of the improvement in  
your sister in India. I really believe  
it is a wonderful country. I got back  
last week glad I was. nothing  
like the Ottawa after all, give my  
warm regards to your wife. we shall  
expect to see you often.
