

Netis
July 29/82

Dearest-Bernard,

I received
your letter, & we shall,
if all be well meet
you on Tuesday at
Bic - we ought to arrive
at nearly the same
hour - & I shall write
& engage two rooms,
at Mrs Deschênes -
Bic Hotel - Bic -

A busy day, & wet
so I must go - - -

Two little girls who
were playing with our
children hysterically, went
home in raptures, I am told

I said - that it - was
so nice "our children
talked to them all the
time" so they seem to
inherit - the failing of
my side of the house -

Lovingly

Anna

If the hotel is not
near the station we
will not go back to
meet you but rest
there till you arrive &
if anything does happen
to prevent us we will telegraph
