

Saturday

Dear Dr. Hammett,

I arrived here,  
after a pleasant journey  
and found all well.

The Wilsons from  
Glenview were in the  
same train, curiously  
enough, and I did  
not find it out  
till we arrived at  
Metes Station.

I write now to  
say that I forget

I mention to you that  
Junib's Ward's goods  
may arrive in my  
possession. If so, as  
written will be sent  
from the Grand Lunk.  
The Bill should come  
by post, and as to  
the entry may be  
made at the  
Customs. If the  
bill does not come  
in duplicate a copy  
should be made  
as the Customs will

5981  
not return the one  
sent to it.

Mr. Boyner will  
attend to the entries  
which Handy  
has usually made  
for us. He attended  
to the last lot

Weather here fine  
and place apparently  
full.

Yours sincerely  
J. Dawson
