

Wallara Place

Dec. 18th / 92

Dearest B—

So many things
great & small have crowded
into the short-time since
you left, that it seems to
be a very long time - I do
not mean that anything
out-of-the-way has happened
only the usual line of
daily affairs - I managed to
go & see Florence on Saturday
& by the way inquired for
Mrs Benson - that sweet Mrs
Samuel who has not been
out-of-the-house for 3 months,
she received us in dressing
gown & night-cap, which
greatly surprised Constance
but tea & cake which she
insisted upon having brought
up greatly much pleased him

Then I went into the 7
Saults tea, far quarter of an
hour - they had the most
exquisite placers, most
exquisitely arranged, in
every conceivable situation
but these entertainments
always strike me as especially
farinal, & without-sault.
Eric had been to tea, he
has developed wonderfully,
his recumner of hard work
has been capital for him
& according to his own ac-
count - he had a regular
farm-hops place - I wish
Eric ^{could} have just such a
recumner, it might not
suit his fancy, but it would
be excellent for his health,
I think the colts are
all wearing of without
becoming of grave import,
which is an excellent matter
but - poor little Bernard
has cried with toothache
each night - if he is troubled
tonight I certainly will take

time to see each tomorrow - these are
money & better matters to be seen to for both
Friday & so was best - I hope to get them
all attended to in the course of the
next few days - I intended to go with
Cathy tomorrow & get some of the further
attended to - I hope that I see have had
I also hope that I see have had

pleasant time as well & soon, I can
extended & soon time these of your favor
it wants while - the change I think
will be great for you, I may try to
take it as much as you like as you can.

I have got no letters yet
I must send such to see about them
tomorrow - sup's & other's seem to be a little
better - you seem all especially from
Aunt.
