Dear Bernie.

Your letter
with its two enclosures
of cheque and letter
I have been pleased to get
and will be glad when
you can send me the
Bank dividend.

Last week or rather
this week Monday the 5th
I sent down by "Richesse
of York" a barrel of
"Lamuse" apples, which

I had received in a
present - and forwarded
to you - They are for
the children to eat -
Most boys and girls are
fond of apples - and I
hope they will enjoy
these -

I am so sorry to hear
that there is still cause
for anxiety about the
dear Baby - What is
the matter with him.
Babette is very well
just now - I certainly
will write to Mr Grant.

his letter has been received but not being
incorporating - I shall wait - need see
what search will come from my letter
to him - before taking any further steps.

A week ago I spent a day at home,
found Mrs Gith very very poorly -
On the 19th of this month of he is
dressed he is well he is 82 years old -
but he is now looking this age -
Mrs Gith is fairly well - but need
more rest than before that attack

of paralysis —

How is Anna and the
servant question getting
on — In the country it
is almost impossible to
get one for love or money —
How I much say good night —
Much love to all the
little ones, Anna and

yourself — from your
loving sister
