

Royal Military College
Kingston Ont. 20th 03.

Dearest Father,

Here I am again
but this is rather unexpected.
I got laid out in the game
on Saturday and they sent
me to the General Hospital
this little trip will cost me
about \$4.00 and I have to
pay \$2.00 to Dr. Kellomäe for
a rubber knee which I
got about a month ago when
I hurt my knee. And there
are several other little items
such as paying the Col. for

2.

bringing my gun up from the
Station etc. and 50¢ for my
call here from the hospital.
I am as fit as a fiddle
now and looking forward
to the game next Saturday
when I hope we will be more
successful. I believe the
Com. wrote to you but he
knows practically nothing
about what happened so
long all worries to one side
I trust - all goes well at
295. and that you and
mother are not working
to hard. Thank mother for
what she sent up by Stan
and tell her it was highly
appreciated by a vast multitude

who found out I heard it
and came in to help
Stam and I out with it.

So Bael McNeill were
breeter on Saturday but
it- can't be helped I suppose
this is urgent as I hate to
keep the H. a. waiting a
minute longer than
is necessary. I saw old
"Pal" Johnson wandering
around here on Thursday
looking like a stray sheep.
Tell mother that I got a
note from that old miss
all an + that if she has
any more like her up here

4

to please not mention that I
am here. Sorry to write in such
a hurry but time is scarce & I
will write again to morrow.

So trusting to hear from you
as soon as possible

I remain as ever
your affec. Son

Conrad.
