Dearest Mother & Father,  
Just a line to  
wish you many, many,  
happy returns of  
the day, this your  
wedding day -

May the bright mem-  
ories of the past  
light up the hope  
that is in the  
future, & may  
our outward &  
visible tokens be

To you a pleasure  
& a support -  
We hope that Mrs.  
Peterson will carry  
them to you, for  
where could you  
find a nicer

conveyor of wishes -

With still more

good wishes for a  
happy day; that it  
may be the gateway

to many  
to many happy days -

With the love  
of Care.
