Dear Sir

Your letter dated the  
15<sup>th</sup> ult<sup>o</sup> has been forwarded  
from Waverley. I no longer  
live there.

If I am spared & well,  
I should much like to attend  
the American Association for  
the Advancement of Science  
at the Montreal Meeting next  
August; although it would  
interfere with the Meeting  
of the British Association  
at Southampton in the  
same month next year.

I thank you sincerely  
for the offer of a welcome.

Please to give my kind

regards to Principal Dawson

And believe me

Yours very sincerely  
J. Wynn Jeffreys
