Dear Dr. Warrington.

Can you tell me  
from Phillips' Metallurgy of Gold &  
Silver or his general treatise. Any  
thing about the degree of solubility  
of AgCl in brines. I have the  
determination of Wahn as to its  
solubility <sup>and some of my own.</sup> but no mass - and  
would be very glad of a note  
of anything you may have at  
hand - without troubling you  
too much. I am much better  
and hope to see you with Mrs  
Warrington here on Friday  
Forever,  
T. Sterry Hunt

Dr. B. J. Warrington.

[1881]

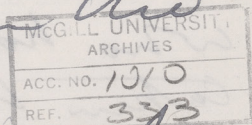

Placerecept my

~~I have to thank you~~ for your  
kind letter of which would  
have been acknowledged sooner  
but for my absence from home.  
I was glad to learn that Mr. C.  
had reached N. Y. safely and had  
~~been admitted and he~~ become  
an inmate of your Home.

It would give me much pleasure  
to present Mr. C. with dress shirt  
if I could afford it they were  
necessaries of life and if I could  
afford it. But under the cir-  
cumstances I fear he will have  
to wait until he can earn  
them for himself. He ought I  
think to remember that he has  
no claim whatsoever upon those  
who have ~~sent him to New~~  
taken him from the street &  
sent him to New York and  
that it is at considerable per-  
sonal sacrifice to some of us  
that he has been sent.

Anything we can do for  
him give him we prefer  
to have expended in keeping  
him away from his old  
enemy and we feel that  
it far more important that  
~~he should~~ his stay at your  
home should be prolonged as  
far as possible than that  
he should be supplied with  
dress shirts. It ~~seems~~ certainly  
seems to be me that if he is  
to be permanently benefited he  
should remain in a "Home"  
for several months at least,  
but I should very glad to  
have your opinion on this  
subject.

Mr Clarke ought to make  
himself useful to you and I  
hope that you will be able  
to give him employment in

during his stay in your home.  
possibly you have some regular employment  
which you give to those who are paying a <sup>limited</sup> ~~small~~ <sup>board</sup> ~~board~~  
enclose — with which

to purchase a razor and  
some footcap paper for him  
as there are reasonable  
wants.
