Dear Harrington

I am sorry to say that on
reference to my books I find it
was Alex Skatel who kept school
in 1837 and I suppose before. When
I came here as a boy in 1847 I
knew a Gm Skatel a very old
man, who lived with Gm Arabe Ser-
jason and who I was told had been
a school-master.

We will either reprint the page
or make an Erratum. I will see

Respectfully
