My dear Sir

Myself & associates
have purchased some 1300
acres of land from Mr. Preston
being the balance of his
property left after selling
the High Rock 400 acres.

I think that you made a
personal examination of
this ground also a topo-
graphical map of a portion
of it at least, for the High
Rock Mining Co. or Mr. Preston

General Manager.

NEW YORK, 188

I don't know which ..

I write to enquire if it
would be possible for us
to secure your services in
making a typeographical
map of our property.

Will you be kind enough
to send us a reply on
this subject & oblige

Yours truly
W. H. Williams
Geny

N.B.

If you can do this will you please
state about what the cost will be?
