Dr. B. T. Harrington,

My dear Sir,

I write to enquire if you have a copy of the report that you made upon the Preston Property for my firm, as I am unable to find it among the firm's papers. If so, I will not trouble you to write it out again, but will ask you to name a time when I may call upon you to see it. I have purchased the lots just beyond the Preston property & wish to see if your description would enable you to express any opinion of the neighboring lands.

Yours very truly  
Robt C. Adams.
