Yours truly,

H. R. Frost

Mr. Mahoney to send the matter to me as soon as possible.  
It is too bad that it was sent at all. We have ordered  
very badly to have the systems collect \$2.75 for an old casing  
which will show that your agent here must have done his business  
We enclose letter from Mahoney and also freight bill.

Dear sir:-

We enclose letter from M. Mahoney and also freight bill which will show that your agent here must have done his business very badly to have the customs collect \$2.75 for an old casting. It is too bad now that it was sent at all. We have ordered Mr. Mahoney to send the boiler to us as soon as possible.
