My dear Sir:-

Please accept my best thanks for the kind attention you have given to our request for the photograph of Pursh's monument. If, at any time, we can serve you in return, please advise us. I enclose the expenses which you have incurred.

I very much regret to learn that Sir. William Dawson has been ill for some weeks. I trust his recovery will be speedy. He is one of the conservative elements in modern science whom we can very ill afford to loose.

Very truly yours,

Thomas Meehan
