I had a letter of some paper. I'm in a position
the day before they take to have a letter
from Paris. I'm pleased of not having improved
the paper, however, which disappoints me
greatly. I have written regularly alternate
to them. I'm going to write the fullest confidence
that they will receive the packets before leaving
for the Continent. I have, I think, enclosed three
letters from him & one from Miss Brown.

Please tell me your plans a little before
