Dear George

We have your two letters of the 10th and 16th, from Edine and Susan; also a letter from A Durie; and we are pleased to find that matters seem so far to have gone so well with you. We quite approve of your coding and do not grudge the expense, if they are convenient. Nor do we wish you to grudge the cost of the omnibus. Perhaps however you might get a ticket for the season that would be cheaper and more convenient than paying fares. Above all things we wish that you should take good care of your health while pursuing your studies

We have sent
 your letters &
 papers & some of your
 & some of your
 & some of your

as diligently as possible, be
sure always to rest on
Sundays from all your
work. This is a very impor-
tant injunction to health.
With regard to Rep
you will find I think
some notes in a subse-
quent letter & that to
which you refer; but
there is no hurry about
doing anything as I
may perhaps be in London
in April myself.

I believe what you
say as to the Arabian
feeling and also as
to Wm. W. V. V. V. V.
active as to the lectures
&c. I shall write
about these things.

You ~~must~~
I shall write a letter
of thanks to the Council
for their kindness in

The matter of fees, and
in the mean time please
express my thanks to
Sturidge or any of the
others you may see,
and give them my
kind regards. I am
sure you will justify
their kindness by your
diligence and good
conduct.

Do not judge the
cost of any apparatus
or books you may require,
to get on with your work;
but take advice and
purchase prudently. You
can let me know how
your money yields out,
and I shall attend to it.
See that you have all
necessary civilities etc.,
and arrange for a
lunch or snack of
some kind in the

Middle of the day,
Tell me about the
text = books used and the
methods in of the lectures
If you find any difficulties
do not hesitate to ask
advice or assistance

Give our very kind
regards when you have
opportunity to Derby
Danes, Sell and
all other friends. We
feel specially indebted to
the two former for
their attention to your
welfare.

Some pictures to visit
as soon as they are included
the inauguration of the new
Museum. It is raining today
I cold - every appearance of
early winter.

Praying that God may bless
you Give your affectionate
W. Dawson
