Dear George,

Being in town
I received a P.O.
order of new order
it for \$55. I have
also given Anna \$10
to enclose in her
letter - so there will
be \$65 in all.

Good Love
Get a thermometer to be
sent; but must
order it by Friday

Next - If you want
it please write a
telegram to me.

The last will be
\$20 - or \$25 - that
is for a small one
which Guppie is
what you want,

I can get a
Promote lamp for you
- shall I buy one
in chance. I can

also get a neat
pocket chronometer
camp for \$8 to \$5;

What of an am-
vid? It is the

copy to think of
these things now
as stocks here will

be snapped up in
spring and it
~~takes time to~~
order.

Please instruct me
when you write,

Write as
usual in great
 haste

Yours with
all love
