Dear George,

Yours from Lake  
of the Woods arrived safely;  
and we all hope that  
one thus reaches you, you  
will be through with your  
exploration there and on  
you may back to Dufferin  
I met there. May God grant  
you all prosper and success.

Thanking me for the  
news we that the  
Molon has paid you  
\$150 which I shall duly  
deposit to your credit

We are all going on  
as usual, and I suppose next

wish to form to Portland  
to the meeting of the Am  
Association. I shall try to  
pick up any information  
there that may be of  
use to you.

When you get back  
from this expedition if you  
have any notes that would  
be worth publishing you  
may send them to me  
It may be well to cultur  
note a little public interest  
in the expedition in this  
way.

With all kind love  
and good wishes  
remains yours affectionately  
Father  
W. D. Austin
