

McGill College.
Montreal.

May 25/74

Dear Sir,

This is the first letter I send
by your new address.
I had hoped by
to-day to send a
copy of your report,
but it has not yet
come to hand. It
will however be
out this week -
just in time to
be too late for
for the review of

parliament, still
it will be distributed
to members in the
recip. Name as
yet received us
instructions as to
distribution, but if
I hear nothing else
send some to your
representatives at
Dufferin, and some
to the Department

at Ottawa, and
single copies of the
Survey re - retaining
the rest subject to
order.

I mentioned in my
last that your paper
on the lakes appeared
in volume of the 30th
Apr, about Great
& Superior,

This is Queen's
birthday, looking very
much like winter,

and we are to
have an excursion
to Belleoit. All are
well and send love
and prayers for your
safety.

William was in
Peters on Saturday on
his way to Cape Belle
to go on Railway work.

With all love
and best wishes,
Your affectionate father
W. Dawson
