

Extract Letter from C. D. Gill

June 5<sup>th</sup>/74

to relating to Mr S. M. Dawson's  
Preliminary Report.

"The style is so  
clear, and the paper  
on the separate ~~formations~~  
formations, without being  
overloaded with details,  
gives so concisely all  
the features of the  
formations which he  
has been studying, I look  
forward to his playing  
a great part in the  
geology of the future."

(The original of this letter  
was sent to Mr S. M. D.  
& is now in Victoria)
