Dear George,

Louis from Victoria,  
 detained by some accident,  
 reached us only yesterday.  
 We rejoice very much that  
 you have got so far  
 safe, and it seems  
 very fortunate that you  
 have found Richardson  
 still in Victoria. I hope  
 you will be equally prospered  
 in your march up  
 country, and in your  
 summer's work. We

+ Please write as planned  
you can.

I shall write now and  
then, in hope the letters  
may be sent after you<sup>x</sup>

William Leese & I have  
decided for Paris. So  
we expect he will be  
absent also this  
winter. Stewart has  
given me a complete  
copy of report, all  
except covers. I have  
examined it and  
find it correct except  
two plates which I

been pleased properly,  
He is to give me a  
canceled copy for Cameron  
of one for you this week.

L'Pley has sent the  
photos, and I shall  
pay his bill when  
I receive it.

I gave you the living  
reference for the Nature  
with notice of your  
paper. Sent the  
right one by mail  
yesterday, with a red  
mark on first page.

directing you to the  
place.

The Reports will be  
forwarded according  
to your direction last,  
and I shall do what  
I can about notices  
of reviews.

Anna and the rest  
are expected home on  
Monday

With all love from  
Mamma and me  
your affectionate  
father  
W. Dawson
