

June 8/47

Dear George

Poor old Carpenter's
 death, the examinations
 of Art, various College
 meetings and the
 calendar we have kept
 me so completely on the
 go that I fear it is
 a very long time since
 I have written, and
 now I have very little
 time though I look
 forward to a breathing
 space in a few days.
 I shall endeavor send
 a notice of Carpenter's
 death to you attending to
 the notice shall be

had and I may take the
 opportunity to show you
 your oranges, I all is
 coming on I hope to
 attend to Carpenter's
 gentleman's affairs. This
 is a relief to me
 in the matter, Selwyn
 has gone off to the
 Section, and Hunt is
 to be here for a few
 days next week, after
 this week I shall hope
 to be able to get
 my little affairs in
 order before going
 to Mexico.

We are all well,
 Baby's eye is still troubling

him, but therefore he is well
down my legs the merchant's
bank says he should thus
there but it is thought that
the Directors will make a
good statement at the end
of the month and that the
stock will then rise. The
Merchant bank says to be sure
and there seems to be a
(at 80%) and put it in front
of the saving bank.

Within ⁴ was sent to see the

R 86 R Snow shorts; I received

from him's wife but from the

been from me; I am sure

and I hope to find your

prints also as some

times have been Madam
