

GEOLOGICAL SURVEY OF CANADA

(Museum and Office, 76 St. Gabriel Street) MONTREAL.

Montreal March 7 1878

Dr. F. V. Hayden
Washington D.C.

Dear Sir,

I have to acknowledge the receipt of Vol II of your series of reports, by that of Prof. Lesquereux on the Terrestrial plants, in which I am much interested. Also of copies of the Bulletin & Catalogue of photographs of N.A. Indians

I am

Yours very truly

George W. Dawson
