one.

I hope that by the
time this reaches
you you will
be there, and I
do hope in health
and well satisfied
with your ventures
Government's work.

We are all well
and enjoying a fine
autumn. We hope

& see Rankine next
week, unless he is
delayed by the way,
and to learn many
particulars of your
voyage. Willcox is
still with us. There
is no decision about
his Yonkers application,
as meeting has given
place to the election,
which as you may
have learned has
met at the River and
put in the Donald

and his party with an
immense majority, great
to the surprise of every
one; the country apparently
being disposed to revenge
itself for the commercial
depression on the McKim
Government.

Matters in general
are here much as usual,
and we shall be glad
to hear from you, and
to see you in person
whenever as soon as possible.
We all send our love and
very best wishes, and are
most thankful to have
heard again of your welfare.
Ever your loving father
W. D. Dawson

P.S. Write to Dr. Schmitt this week
who will perhaps mention to you what
I said.
