

Little Nites
May 13/84

Dear George

I came down
to this place to see Mauma
and for a few days rest.
I think all is arranged
for your place as conductor
on the part. At least I
am assured that letters
vouchers have been
sent, and I shall give
you when the time
comes to leading perhaps.
The party is to be limited
to 150 and will include
the elite of the association,
except a few who have gone
in advance before the
meeting and to some of

Whom I had given your
name. Your Sachseman
at Quebec on Tuesday
He spoke of the survey
matter and seems
to understand the "true
newarkship" of it pretty
well. All parties Schuyler
Hunt were seen to
have damaged themselves
in the stimulation of im-
partial observers by their
action in the matter;
and the best they can
hope for is that it should
blow over. Because this
Israel and before we
ever join afterwards
