Dear Mr. Dall,

I have just got back here from British Columbia, where I have been at work for the past few months, & am now able to fulfill my promise in sending to you another copy of my own edition of your Report, to replace that given by you to Mr. Russell. I am sending by some small 'Separates' of three little papers on western subjects, in which you may be interested.

With kind regards

Yours very truly

George M. Dawson
