

Birkenshato,
Little Metis.

June 28/94

Dear George,

You will see
by the heading of this
that we are settled
here, and Threener
has also come down,
so that the major
part of the family
(commencing speaking) is
now here. From Anna
we hear that she is
comfortably situated
among fine scenery,
but that the weather
is warm, and Eric not
perceptibly improved.

mature at beginning
of July. So if there
is any need, you
may draw on me
& that amt, and
if not so drawn I
shall place it to
your credit where
I return. I fear
Mamma will not
have a very happy
Summer. She is so
anxious about the
young Harringtons,
I must try however
to take as much as

Lucas tells us that
you left on Saturday
for parts unknown;
but we shall hope
to hear something of you
as soon as you are
settled, & have
headquarters fixed,
I have a letter from
Whitman as to Coleman's
funds, & by the committee
when I left I placed
the coupons of your
Harbour Bonds (say \$1000)
in hands of my banker
& place to credit when

Spensible as I can,
and hope that Dr H
will be back to look
after them next
month.

If I can do any
thing for you at
any time kindly
write. Our best
wishes and prayers
go with you.
Ever yours

J. M. Dawson

P.S. Your postal card of
25th from Fort Williams reaches
me before reaching this. Glad
to hear of your plans & that Mr
Cunnell will be with you. Bon
voyage.
