A. H. Macdougall, P.L.S, C.E.

6 April 1891

Rec'd 8th

Dear Doctor Dewvane

Allow me to Congratulate you on the numerous deserved honors, which I see, by a late Number of the Ottawa Citizen, have been recently conferred on you.

I have been long jealous of your attention to the British Columbia Coast and trust that at some future period this district may desire the benefit of your careful investigation and thorough and honest report.

Wishing you a long, useful and happy career

Yours very truly
A. L. Russell
