The enclosed  
letter is written

Colonel alludes to  
my brother  
Barrett of the  
13th Regt of Foot

My dear Dr Dawson

I hope you know rec<sup>d</sup>  
by this my last letter to you.  
I have just got by last mail  
a communication fr our  
family solicitor & he is a  
very old friend of our family  
as well - you will see that  
my friends have been doing  
something with the M.P's of  
Brighton at which place  
we live - you will see  
that he says <sup>also</sup> that he  
hopes

You & Mr George are  
also working in my  
behalf. if you can read  
his writing which is very  
difficult. His name is  
Jackson. & his address  
is on his letter of 7me  
I should be writing to him  
I am afraid he has  
begun operations too soon  
but I do not know what  
it matters much - I hope  
soon

am all quite well & having  
a good time - I suppose  
Sir George would be in  
England by this & perhaps  
express too. How is Froude  
Please remember me to them  
all & I wish them a  
very happy New Year. We  
are still at Hong Kong &  
I think likely to remain  
for some time to come - the  
weather is very nice now  
WST

not too hot - We have  
nearly all the China  
Fleet in which looks  
very improving - any  
amount of success - & for  
that reason I shall be  
glad to get away. These  
Judgment dinners tell on  
one - occurring so frequently  
as they do - hoping you will  
think I am troubling you  
all too much - please find  
my enclosed letter to Sir George  
after you have done with it  
& with kindest regards  
I remain  
Dear Madam
