Dear Dr. Dawson

on the chance of your
having nothing better to do
tomorrow evening, I send you
a card for the lecture at the
Royal Institution, Albemarle
Street on Electro-Metallurgy
by J. Wilson Swan M.A. F.C.S.

The chances are, that to get a
good seat, one has to be at the
Institute about $\frac{1}{4}$ to 8. Mrs Rae
and I intend to be there -

Very sincerely Yours
John Rae
