

The Willows. Farnham.

5 Aug. 92.

My dear Dr. Dawson.

I did not reply to your
kind note of 1st, thinking
you were in Scotland &
am very sorry to hear by your
journal that you have
been unable to get away.

I am sure the disappointment
must be great; for there
is so much of interest
in the H. A. meetings.

I sometimes go, but could

not make it fit in this
time.

I am sure you must have
a lot to do & am very
sorry that it should have
been necessary for me to
ask you to help me so
to add to your work, but
a comparatively brief
expression of your opinions
Coal & Mineral
in the probability of the
Areas marked on Maps
will be all that is

necessary.

I am to see the Duke of
Sutherland on Tuesday,
so that if you will allow
me I will call at your
Hotel on Monday at 9.45
I have a short-talk, & to
be able, if your opinions are
favourable, to be able to tell
the Duke, that you are
making such a report to
me &c.

With best regards

Believe me
Yours truly
W. P. Endicott.
